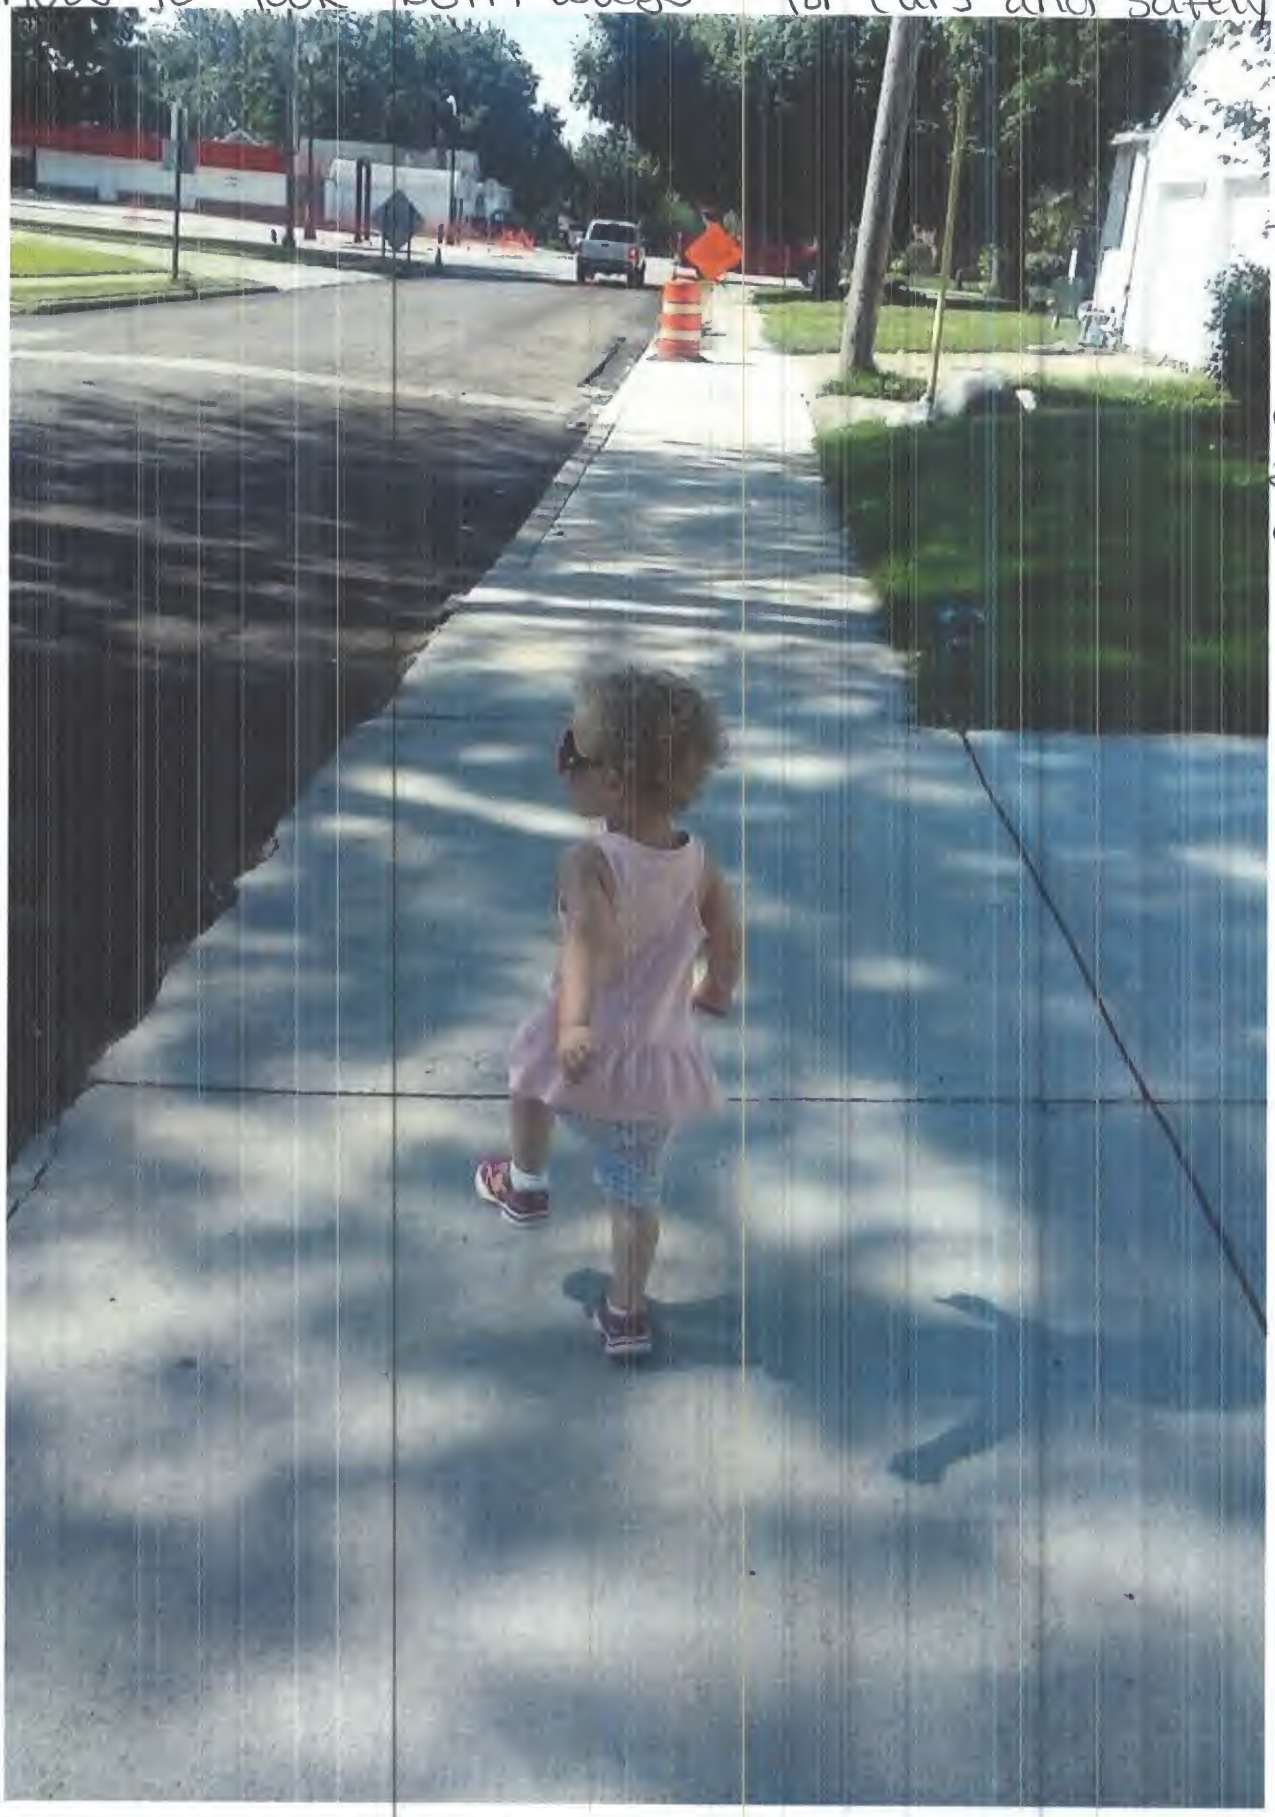
HAPPY AND WELL CARED FOR AT FREEDOM HOUSE

MADELINE IN MY CARE

I WAS BREASTFEEDING

I teach Madeline street safety - about sidewalks, signs, roads, cars, to pay attention, how to look both ways for cars and safely cross.



I teach her about directions. This gives her the knowledge and skills and some confidence she needs

Big Girl. Madeline Hope

Posing on a Rock during our walk.

We walk + ride the stroller to the park.
The swing is her favorite.

Enjoying Morning at Park with me.

I take Madeline to play with her friends at the park!

She's checking out a flag.

This girl has a Bright, Safe future with her mommy.
